Computer Glossary

Computer Glossary

		ACM	Association for Computing Machinery
AA	Auto Answer		Audio Compression Manager [Microsoft]
AAA	Authentication, Authorization and	ACMS	Application Control Management System
	Accounting	ACP	Ancillary Control Program + Auxiliary
AAB	All-to-All Broadcast	Control P	
AAC AACS	Advanced Audio Coding	ACPI Interface	Advanced Configuration and Power
AACS	Advanced Access Control System Asynchronous Transfer Mode Adaption	ACR	Allowed Cell Rate
Layer	Asynchionous fransfer mode Adaption	ACROSS	Automated Cargo Release and
AAM	Automatic Acoustic Management	Operation	_
AAP	Applications Access Point [DEC]	_	Service System
AARP	AppleTalk Address Resolution	ACS	Access + Access Control Set + Access
	Protocol	Control S	_
AAS	All-to-All Scatter	*	Advanced Computer System [IBM] +
AASP	ASCII Asynchronous Support Package	a	Anti Curl System + Asynchronous
AAT AATP	Average Access Time Authorized Academic Training Program		tion Server Audio Cascading Style Sheets
AAIP	[Microsoft]	ACTLU	Active Logical Unit
.ABA	Address Book Archive (file name	ACTPU	Active Physical Unit
extension	•	ACTS	Automated Computer Time Service
ABAP	Advanced Business Application	ACTT	Advanced Communication and
Programmi	ng [SAP]	Timekeepi	ng Technology [Seiko]
ABC *	Atanasoff-Berry Computer (First	ACU	Automatic Calling Unit
digital		ACVC	Ada Compiler Validation Capacity
	calculating machine that used vacuum	•	Analog to Digital
tubes) ABEND	Abnormal End	ADA	Automatic Data Acquisitions +
ABEND	Application Binary Interface	Augusta A	(Programming Language named after da Lovelace)
ABIOS	Advanced BIOS	ADB	Apple Desktop Bus
ABIST	Automatic Built-In Self-Test [IBM]	ADC	Adaptive Data Compression (protocol)
ABLE	Adaptive Battery Life Extender +	[Hayes] +	
	Agent Building and Learning		Add with Carry + Analog to Digital
Environme	nt [IBM]	Converter	
ABM	Asynchronous Balanced Mode	ADCCP	Advanced Data Communication Control
ABR	Available Bit Rate		s/Protocol
ABRD	Automatic Baud Rate Detection	ADD	Automatic Document Detection
ABRS [British	Automated Book Request System	[WordPerf	ect] Automatic Document Feeder +
ABS	Address Book Synchronization [IBM] +	ADF	Automatically Defined Function
Absolute	nates for synchronization (1511)	.ADF	Adapter Description File (file name
ABT	Abort	extension	
ABTS	ASCII Block Terminal Services	ADI	AutoCad/AutoDesk Device Interface
AC	Autocheck + Automatic Computer +	(driver)	
	ng Current	ADIOS	Automated Download and Installation
ACAP	Application Configuration Access	of	
Protocol ACC	Accumulator	ADI	Operating Systems [Queensland U.] Address Data Latch
ACCMAIL	Accessing the Internet Via Email	ADL ADLAT	Adaptive Lattice Filter
ACD	Automatic Call Distribution	ADLC	Adaptive Lossless Data Compression
ACDI	Asynchronous Communications Device	[IBM] +	ndapoire loggicos paca complegaton
Interface	_		Asynchronous Data Link Control
ACE	Access Control Encryption/Entry +	ADMACS	Apple Document Management And Conrol
	Adobe Certified Expert +	System	
	Advanced Composition Explorer	ADMD	Administrative Management Domain
[JHUAPL]		[X.400]	
	Advanced Computing Environment [SCO]	. ADN	Add In Utility (file name extension)
+	Adverse Channel Enhancements	ADO	[Lotus 1-2-3] [LDC] ActiveX Data Objects
[Microcom		ADP	AOLserver Dynamic Pages + Automatic
*	Automatic Computing Engine	Data Proc	
ACF	Access Control Field +	ADPCM	Adaptive Differential Pulse Code
	Advanced Communications Function	Modulation	n -
ACH	Automated Clearing House	ADR	Address
ACIAS	Automated Calibration Interval	ADS	Application Development Solutions
Analysis		[AT&T] +	
ACIS	American Committee for Interoperable		Application Development System +
Systems	Acknowledgment	ADSC	Automatic Distribution System Address Status Changed +
ACK ACL	Access Control List + Asynchronous	אטטכ	Adobe Document Structuring
_	n-Less (link)	Convention	_
	· ,		

ADSI	Active Directory Service Interface	Profession	nals
[Microson	-	AIT	Advanced Intelligent Tape (drive)
	Analog Display Services Interface	[Sony]	
ADSL	(See DSL)	AIX	Advanced Interactive Executive [IBM]
ADSP	AppleTalk Datastream Protocol	AJAX	Asynchronous JavaScript and XML
ADSR	Attack, Decay, Sustain, Release	ALAT	Advanced Load Address Table
ADT	Abstract Data Type + Application Data	ALC	Arithmetic and Logic Circuits +
Types ADU	Automatic Dialing Unit	ALE	Automatic Level Control Address Latch Enable +
AE AE	Above or Equal	ALE	Application Linking and Embedding
AEB	Analog Expansion Bus [Dialogic]	ALGOL	Algorithmic Oriented Language (see
AEC	Architecture, Engineering,	IAL)	
Construct	ion	ALIBI	Adaptive Location of Internetworked
AEM	Asynchronous Event Mechanism	Bases	
. AERO	Aviation Industry (Domain Name)		of Information
[Internet	· -	ALICE	Artificial Linguistic Internet
AES AESA	Advanced Encryption Standard ATM End System Address	Computer :	Entity Active Link [HTML]
AESA AF	Auxiliary carry Flag	ALINE	Archie Like Indexing in the Web
AFA	Accelerated File Access	[Internet	_
AFC	Antiferro-Magnetically Coupled	ALM	Asset Liability Management
(media)		ALN	Asynchronous Learning Network
	Automatic Font Change + Automatic	ALOS	Alternate Lighting Of Surfaces
Frequency		ALP	Automatic Language Processing
AFD	Automatic File Distribution	ALR	Advanced Logic Research, Inc.
AFDW	Active Framework for Data Warehousing		Alternate (mode)
[Microson	Authority and Format Identifier	ALT. Category]	Alternate lifestyle [USENET Newsgroup
AFII	Association for Font Information	ALU	Arithmetic Logic Unit
Interchai		AM	Amplitude Modulation
AFIRM	Automated Fingerprint Image Reporting	AMA	Automatic Message Accounting
and Matcl	1	AMANDDA	Automated Messaging and Directory
AFIS	Automated Fingerprint Identification	Assistanc	
System		AMASS	Archival Management and Storage
.AFM	Adobe Font Metrics (file name	System	
) [3-3-b- Greek even]	3.100	ambien Makeda Bieniau - adecend
